JASHIRA JASMIN V

MERN STACK DEVELOPER

Kozhikode, Kerala, India

+918590372636 | jashirajasmim@gmail.com

linkedin | github | portfolio

Skilled MERN Stack Developer with experience implementing front-end and back-end coding. Astute and always learning designer of user interactions on websites and databases that are sound and easy to use. Proven problem-solver with solid grounding in data-driven applications and concepts. Communicates clearly with technical and non-technical team members and promotes drive for customer service.

RELEVANT PROJECTS

- **Blog App** – Developed a responsive blog application using the MERN stack (MongoDB, Express.js, React.js, and Node.js) with Redux for state management. Implemented user authentication and provided content management features for administrators.
- **Chat App** – A real-time chat application using React and Socket.IO enabling users to engage in dynamic conversations across different chat rooms.
- **Quiz App** – Dynamic Quiz app using React, featuring dynamic questioning, countdown timers, immediate feedback, and score tracking. Proficient in state management and handling asynchronous events.
